WESTWOOD'S WIND GROUP ADDS TWO ENGINEERS

August 18, 2010

MINNEAPOLIS, MN – [Westwood Professional Services, Inc.](http://www.westwoodps.com), a national land and energy development consultant, announces that Matt Gaarder and Steven Broyer have joined the Eden Prairie office as project engineers in the wind group.

Gaarder will be providing civil engineering design services on wind projects throughout the United States. This is his first year of experience in designing and drafting of civil plans for wind farm projects. Gaarder holds a BS Degree in Civil Engineering from the University of Wisconsin-Madison.

Broyer has 12 years of experience in civil engineering design, project management and design build construction. He will be working on energy projects throughout the United States. Broyer is a Minnesota registered professional engineer and holds a BS Degree in Civil Engineering from the University of Minnesota.
