ROBERT GONZALEZ JOINS WESTWOOD'S WIND GROUP

February 21, 2011

Minneapolis, MN – [Westwood Professional Services, Inc.](http://www.westwoodps.com), a national land and energy development consultant, is pleased to announce the addition of senior project manager, Robert Gonzalez, to the firm's national wind energy group. He will be based in the Portland, Oregon office.

Gonzalez is a registered professional engineer in Arizona and Oregon and has a B.A. in civil engineering from Brigham Young University. He brings to Westwood more than 11 years working in residential, commercial and wind farm development. In his role, he will be managing engineering design and multi-disciplined projects for clients in the Pacific Northwest and elsewhere.

About Westwood:

Westwood Professional Services, Inc. is a multi-disciplinary consulting firm providing complete and sustainable solutions to Land and Energy development clients nationwide. Westwood's services include land surveying, aerial mapping, GIS, civil engineering, land rights, planning, environmental, cultural resources, landscape architecture, transportation engineering, visualization, construction management, and NPDES & SWPPP compliance. Westwood was established in 1972 and has multiple U.S. offices.
