GILCHRIST JOINS WESTWOOD AS GIS MANAGER

January 28, 2011

Minneapolis, MN – Westwood Professional Services, Inc., a national land and energy development consultant, announces that Hart Gilchrist has joined Westwood as the GIS Manager. He will be based in the firm's Minneapolis office.

Gilchrist received a BA in Biology from Macalester College and a Masters in Software Design from the University of St. Thomas. He brings to Westwood more than 14 years working in GIS and AutoCAD, database management, and software programming skills. In his new role, Gilchrist will be managing GIS services and working to develop and operate data-driven management and dissemination systems for projects and clients.

About Westwood:

Westwood Professional Services, Inc. is a multi-disciplinary consulting firm providing complete and sustainable solutions to Land and Energy development clients nationwide. Westwood's services include land surveying, aerial mapping, GIS, civil engineering, land rights, planning, environmental, cultural resources, landscape architecture, transportation engineering, visualization, construction management, and NPDES & SWPPP compliance. Westwood was established in 1972 and has multiple U.S. offices.
