THOMAS BECK JOINS WESTWOOD'S SCOTTSDALE OFFICE

November 8, 2011

SCOTTSDALE, AZ – [Westwood Professional Services, Inc.](http://www.westwoodps.com), a national land and energy development consultant, announces the addition of Thomas Beck, PE, to the firm's [land group](#). Beck will lead civil engineering and site development efforts from Westwood's Scottsdale, Arizona office and will be responsible for providing overall civil design and project management services on land and energy development projects throughout the Southwest.

Beck has over 30 years of civil engineering experience on a variety of public infrastructure and private land development projects in Arizona, California, Colorado, and Guam. Some of his more recent experience in the Phoenix metropolitan area includes Sun City Festival, Elianto Village 4, Chandler Airport Boulevard, Cave Creek Road Reconstruction, and Grand Avenue Trail.

Beck is a registered professional engineer in Arizona, Colorado, and California. He has been involved with the American Society of Civil Engineers, and has a Bachelor of Science in Civil Engineering and Master of Engineering focusing on Environmental Engineering from the University of Utah.

About Westwood:

[Westwood Professional Services, Inc.](http://www.westwoodps.com) (Westwood) is a multi-disciplinary consulting firm providing complete and sustainable solutions to Land and Energy development clients nationwide. The firm provides solutions to support the development of projects from concept to completion. Those services include land surveying, aerial mapping, LiDAR, GIS, civil engineering, renewable system design, siting and land rights, planning, environmental, cultural resources, landscape architecture, transportation engineering, visualization, construction management, and NPDES & SWPPP compliance. Westwood was established in 1972 and serves clients across the country from multiple U.S. offices.
