POWELL AND LAMPING JOIN WESTWOOD DALLAS OFFICE

June 30, 2010

MINNEAPOLIS, MN – [Westwood Professional Services, Inc.](http://www.westwoodps.com), is pleased to announce the recent addition of professional civil engineers, Bryan P. Powell and Chuck Lamping to their Dallas/Fort Worth office.

In his position as Director, Powell is tasked to lead Texas business strategies while supporting clients and projects in the land and energy sectors throughout the state. Powell joined Westwood after approximately two years of successfully operating a consulting firm and eight years in various leadership roles at Carter Burgess (Jacobs Engineering). His experience, combined with a BS in civil engineering and an MBA, enables him to deliver a unique combination of technical and business-minded solutions that align with the client's objectives.

Lamping joins Westwood as a Project Manager with 15 years of land development, municipal, and government experience. Prior to Westwood, Lamping partnered with Powell and worked with JBI Partners, Inc. for 10 years as a Senior Project Manager, Vice President, and Partner. His long list of notable projects includes Mira Lagos, a 660-acre mixed-use residential development in Grand Prairie, Texas. With his experience, he has successfully addressed a multitude of design challenges with a wide range of clients.

About Westwood:

Westwood Professional Services, Inc. is a multi-disciplinary consulting firm providing complete and sustainable solutions to Land and Energy development clients nationwide. Westwood's services include land surveying, aerial mapping, GIS, civil engineering, siting & land rights, planning, environmental, cultural resources, landscape architecture, transportation engineering, visualization, construction management, and NPDES & SWPPP compliance. Westwood was established in 1972 and has multiple U.S. offices.
