DAN HERLIHEY JOINS WESTWOOD'S LOVELAND, CO OFFICE

April 20, 2011

Loveland, CO – [Westwood Professional Services, Inc.](http://www.westwoodps.com), a national land and energy development consultant, announces the addition of Dan Herlihey to their siting and land rights team. As a senior siting and land rights specialist working in Westwood's Loveland, Colorado office, Herlihey will be supporting the development of energy projects across the country.

Herlihey joins Westwood with 32 years of experience. He worked 17 of those years as a technician and project manager supporting the design and construction of utilities and another 15 years as an entitlements manager for a large local developer in the front range of Colorado. Herlihey currently serves as a commissioner for the Loveland Public Utilities Commission and director for the Loveland High Plains Arts Council.

About Westwood:

Westwood Professional Services, Inc. (Westwood) is a multi-disciplinary consulting firm providing complete and sustainable solutions to Land and Energy development clients nationwide. The firm provides solutions to support the development of projects from concept to completion. Those services include land surveying, aerial mapping, LiDAR, GIS, civil engineering, renewable system design, siting and land rights, planning, environmental, cultural resources, landscape architecture, transportation engineering, visualization, construction management, and NPDES & SWPPP compliance. Westwood was established in 1972 and serves clients across the country from multiple U.S. offices.
