**WESTWOOD NAMES JASON MCCARTY AS OFFICE MANAGER
FRANCIS HAGEN, II BECOMES RESIDENTIAL DIRECTOR**

May 5, 2011

[Westwood Professional Services, Inc.](http://www.westwoodps.com), a national land and energy development consultant, has announced that Jason McCarty, PE has recently been named office manager for Westwood's Eden Prairie, Minnesota office. McCarty will oversee Eden Prairie operations while maintaining his role as national land sector leader. Francis Hagen, II, PE will transition to the position of director, residential development services, in which he will oversee the firm's residential operations and business development. Hagen will maintain the responsibilities held in his previous position as director of engineering services in this transition.

The company originated in the Twin Cities area in 1972 and is headquartered in Eden Prairie, a thriving suburb southwest of Minneapolis. Over the last few years, Westwood has added several office locations across the U.S. to support their national clientele. Eden Prairie operations were previously the responsibility of Westwood's president, Paul Greenhagen. Greenhagen says, "Jason McCarty has built lasting relationships with many of our most valued clients, is a respected leader in our organization, and understands our local market and operations very well. Jason's experience, hard work, and commitment will provide great value to our firm and our clients in his new role."

McCarty joined Westwood in 1998 as an engineer in the firm's residential services group. During his time with Westwood, he has worked as the director of residential development services and more recently, land sector leader.

Hagen has been with Westwood for 25 years and has worked as a project manager, director of engineering, and director of construction services. He has supported the design and engineering for numerous residential and commercial projects, most notably the Evermoor Residential Neighborhood in Rosemount, Towne Lakes Mixed Use Development in Albertville, and the Highlands of Edinburgh Golf Course Community in Brooklyn Park.

About Westwood:

[Westwood Professional Services, Inc.](#) (Westwood) is a multi-disciplinary consulting firm providing complete and sustainable solutions to Land and Energy development clients nationwide. The firm provides solutions to support the development of projects from concept to completion. Those services include land surveying, aerial mapping, LiDAR, GIS, civil engineering, renewable system design, siting and land rights, planning, environmental, cultural resources, landscape architecture, transportation engineering, visualization, construction management, and NPDES & SWPPP compliance. Westwood was established in 1972 and serves clients across the country from multiple U.S. offices.
