RYAN BLUHM JOINS WESTWOODS GROWING LAND GROUP

October 3, 2011

MINNEAPOLIS, MN – Westwood Professional Services, Inc., a national land and energy development consultant, is excited to announce the addition of Ryan Bluhm, PE, LEED AP, to the firm’s land group. Bluhm joined the company as a Senior Project Manager based in their Eden Prairie, Minnesota office.

Bluhm has 15 years of experience and was brought on to support continued growth in Westwood’s residential and commercial markets. Throughout his career, he has been instrumental in the design and management of a wide variety of projects including senior housing, assisted living, health care, and medical facilities. Fran Hagen, director of Westwood’s national residential operations says, “The demand for quality senior housing and related facilities is increasing and our project load is growing. Westwood is well positioned to support our clients and leverage new opportunities. Ryan’s experience and relationships will be a great asset as we move forward.”

Bluhm is a registered professional engineer in Minnesota, Wisconsin, and Illinois. He is a LEED Accredited Professional and has a BS in Civil Engineering and a MS in Infrastructure Systems Engineering from the University of Minnesota.

About Westwood:

Westwood Professional Services, Inc. (Westwood) is a multi-disciplinary consulting firm providing complete and sustainable solutions to Land and Energy development clients nationwide. The firm provides solutions to support the development of projects from concept to completion. Those services include land surveying, aerial mapping, LiDAR, GIS, civil engineering, renewable system design, siting and land rights, planning, environmental, cultural resources, landscape architecture, transportation engineering, visualization, construction management, and NPDES & SWPPP compliance. Westwood was established in 1972 and serves clients across the country from multiple U.S. offices.
