MIKE NOONAN JOINS WESTWOOD

August 4, 2008

Westwood Professional Services is pleased to announce that Mike Noonan has joined the Rapid City, SD office. Noonan is a seasoned project manager and right-of-way specialist with expertise in all aspects of real property acquisitions and valuations. He has acted as project manager for multiple site acquisitions and permitting of cell tower locations in both rural and urban markets, negotiated right-of-ways for hundreds of various infrastructure projects including the E470 toll highway, energy transmission lines throughout the Rocky Mountain West, and FHWA funded highway, bridge, trail, and waterway projects. Noonan has held a number of executive offices with the International Right-of-Way Association Colorado Chapter. In addition, he is a seasoned construction oversight manager and route siting specialist.

At Westwood, Noonan will be overseeing the transmission and gas line right-of-way work. In addition, he will assist in the expansion into the cell tower site acquisition and planning.

About Westwood:

Westwood Professional Services, Inc. is a multi-disciplinary design firm offering complete solutions to Energy and Land development clients nationwide. Services include energy real estate services, planning, engineering, surveying, sustainability, landscape architecture, visualization, environmental, cultural resource management, GIS, traffic, parking & transportation, construction services, and erosion control services.
