NICK BROWN JOINS WESTWOOD'S ENGINEERING GROUP

July 18, 2011

Minneapolis, MN – [Westwood Professional Services, Inc.](http://www.westwoodps.com), a national land and energy development consultant, announces that Nick Brown has joined Westwood as a project engineer (EIT) in its Portland, Oregon office.

Brown will initially be assisting with wind project site planning and civil design within Westwood's energy engineering group. Brown graduated from the University of California at Davis with a BS in Civil Engineering.

About Westwood:

[Westwood Professional Services, Inc.](http://www.westwoodps.com) (Westwood) is a multi-disciplinary consulting firm providing complete and sustainable solutions to Land and Energy development clients nationwide. The firm provides solutions to support the development of projects from concept to completion. Those services include land surveying, aerial mapping, LiDAR, GIS, civil engineering, renewable system design, siting and land rights, planning, environmental, cultural resources, landscape architecture, transportation engineering, visualization, construction management, and NPDES & SWPPP compliance. Westwood was established in 1972 and serves clients across the country from multiple U.S. offices.
