ERIC HANSEN JOINS WESTWOOD

March 19, 2010

MINNEAPOLIS, MN – [Westwood Professional Services, Inc.](http://www.westwoodps.com), a national land and energy development consultant, announces that Eric Hansen has joined their Environmental Services group as a Senior Environmental Engineer. Hansen will work with Westwood's energy team to assist in development and management of Westwood's regional and national electric transmission business. He will be responsible for client and project management regarding siting strategies, route permits, construction monitoring, and post construction activities.

Hansen is a professional engineer and professional geologist with registrations in the states of MN, ND, SD, IA, and WI. He most recently worked as a Vice President of Environmental Engineering over the past 10 years mainly in the areas of wind project development and construction, brownfield redevelopment, geotechnical engineering, and property transfer due diligence. Previous to this, Hansen worked as a Project Manager and Senior Engineer with expertise in site investigation, regulatory compliance, and property transfer.

About Westwood:
