**DEAN SATHER JOINS WESTWOOD'S CULTURAL RESOURCES TEAM**

March 3, 2008

Westwood Professional Services, Inc. is pleased to announce the addition of Dean Sather as a senior cultural resource specialist. At Westwood, Sather will coordinate and manage archaeological research and field investigations for a variety of Westwood clients.

Prior to joining our team Sather served as archivist and archaeological Principal Investigator for the White Earth Nation of Minnesota Ojibwe and was the Executive Director of two regional museums in northwestern Minnesota.. He has 20 years of experience as an archaeologist involved in many stages of archaeological investigations from archival research to site mitigation. He has served as a project manager, field director, and crew member for a variety of consulting firms and state historical societies throughout the Midwest.

**About Westwood:**

Westwood Professional Services, Inc. is a multi-disciplinary design firm offering complete solutions to Land and Energy development clients nationwide: planning, engineering, surveying, sustainability, landscape architecture, visualization, environmental, cultural resource management, GIS, traffic, parking & transportation, construction services, and erosion control services. Westwood was established in 1972 in Minnesota and has over 185 employees in five offices.
