SEASONED IS SPECIALIST, ANDREW PETERS, JOINS WESTWOOD

June 9, 2008

Westwood Professional Services Inc., a national land and energy development consultant, is pleased to announce the addition of Andrew Peters to their Eden Prairie, Minnesota office. Peters joins Westwood as an Information Systems (IS) Specialist and will support the needs of both professional staff and clients. To Westwood, he brings 10 years of information technology consulting experience ranging from analysis and design to project oversight and technical training. Peters has supported several notable companies with his IS expertise including Jennie-O Turkey Store, Regis Corporation, Marquette Bank, Courage Center, Chicago County, Public Radio International, and ev3.

About Westwood:

Westwood Professional Services, Inc. is a multi-disciplinary design firm offering complete solutions to Land and Energy development clients nationwide: planning, engineering, surveying, sustainability, landscape architecture, visualization, environmental, cultural resource management, GIS, traffic, parking & transportation, construction services, and erosion control services. Westwood was established in 1972 in Minnesota and has over 165 employees in four offices.
