**JOE SEDARSKI JOINS WESTWOOD**

June 16, 2008

EDEN PRAIRIE, MN – Westwood Professional Services Inc., a national energy and land development consultant, is pleased to announce the addition of Joe Sedarski to their Environmental Services group. Sedarski will be using his expertise in law and engineering to assist Westwood primarily with Energy projects.

Sedarski is both an attorney and engineer. He most recently worked as an attorney over the past five years mainly in the areas of environmental, real estate, land use and energy law as well as taught an environmental law course and presented at environmental and real estate seminars. Previous to practicing law, Sedarski worked as a project manager / project engineer environmental consultant for more than 13 years.

**About Westwood:**

Westwood Professional Services, Inc. is a multi-disciplinary design firm offering complete solutions to Energy and Land development clients nationwide. Services include energy real estate services, planning, engineering, surveying, sustainability, landscape architecture, visualization, environmental, cultural resource management, GIS, traffic, parking & transportation, construction services, and erosion control services. Westwood was established in 1972 and has 165 employees in four offices.
