JOSH KEATING JOINS WESTWOOD'S ENERGY GROUP

August 25, 2008

Westwood Professional Services, a national energy and land development consultant, is pleased to announce that Josh Keating has joined the Energy group in the Eden Prairie, MN office. Keating, Land Specialist, has previous experience in pipeline construction project management.

At Westwood, Keating will help develop community relationships, give project overviews, and obtain land leases from landowners for various wind energy projects.

About Westwood:

Westwood Professional Services, Inc. is a multi-disciplinary design firm offering complete solutions to Energy and Land development clients nationwide. Services include energy real estate services, planning, engineering, surveying, sustainability, landscape architecture, visualization, environmental, cultural resource management, GIS, traffic, parking & transportation, construction services, and erosion control services. Westwood was established in 1972 and has more than 165 employees in four offices.
