WESTWOOD ANNOUNCES NEW SHAREHOLDERS

April 9, 2009

[Westwood Professional Services, Inc.](#) is proud to announce the addition of two new shareholders who have contributed greatly to the success of the company since their hire.

Jay Wittstock joined Westwood in 2005 bringing with him more than 27 years of experience in land surveying and GIS. His work in both the private and public sector provides value to clients. Jay's wide range of knowledge and experience allows him to provide recommendations that help projects to move along smoothly and efficiently.

Michele Caron is a professional engineer with 25 years of experience including large commercial and multi-use developments, and a broad base of expertise in group management, planning, engineering, and land entitlements. Michele, Director of Commercial Development, has brought to Westwood a focus on client needs through comprehensive project management and team effectiveness.

About Westwood:

Westwood Professional Services, Inc. is a multi-disciplinary consulting firm providing complete and sustainable solutions to Land and Energy development clients nationwide. Westwood's services include ROW and land acquisition, planning, engineering, surveying, aerial mapping, GIS, environmental, landscape architecture, visualization, cultural resource management, traffic, parking and transportation, construction services, and NPDES permitting and compliance. Westwood was established in 1972 and has six U.S. offices.
